

Thanks for post-race cleanup efforts

April 28 and 29 was our first race event of the 2007 season. First and foremost I would like to extend my thanks and those of the committee and other volunteers to the drivers who stayed around after the race and helped clean up the facilities. I think this was pretty much a record for the shortest clean up and we all appreciate it very much.

The driver turn out was a bit light at forty-some entries but there was some good racing. We also had some excitement in the form of deer hanging out on

Race Report

and near the track, which gave everyone some practice on red and black flags and delayed racing a bit on Saturday morning. All in all a good event and we hope to see more of you at the July and September events at Bremerton.

Our next event is our Double National at Pacific Raceway on Memorial Day

weekend. We will need all the volunteers we can get to man the corners and other specialties. So if you are not driving in either the National or Regional events, please come out and help. We still need entrants as well. We will be running three regional groups along with our national races so come out and join us.

We are also looking for a closed trailer of around 18 to 20 feet that we can use to haul our equipment from one track to another.

Play safe and have fun

Donate to Theresa Shukla memorial fund

As many of you are aware, Jay Shukla's wife Theresa recently passed away. Jay has been instrumental in working with the SCCA and Pacific Rally Group family for many years in the capacities of E-Crew and organizing committees.

Now, he asking for our emotional and financial support in his time of loss as the family has limited financial means.

We have set up a memorial fund in the name of "Theresa J. Shukla Memorial Fund" at KeyBank. Donations may be made at any KeyBank Center. Contributions may also be mailed to KeyBank, Mailcode: WA-31-99-0281, P.O. Box 11500, Tacoma, WA 98411.

Please put for Theresa J. Shukla Memorial Fund on your check's memo

line or include a note. Your help is very much appreciated and the funds will be used only for the funeral and burial costs and expenses associated with the loss.

Jay's family has already expressed their thanks and appreciation for the help being given. His family has asked that in lieu of flowers and cards a contribution be given in her name.

Jerry Moon could use your positive thoughts

BY FRANK HAMILTON

Regional Executive

Have you ever had a really good friend, someone that when you don't see often you still think about him or her? I do, maybe you do too.

Jerry Moon is one of really quiet, behind-the-scenes sort of guys. He is a very hard working and benevolent person. He would take his back hoe to rally stages and prep roads for rallies and

when the event was over he'd go back and restore the roads rally uses back to better than they were before we ever got there. Usually he didn't get paid anything.

A couple of months ago, Jerry was diagnosed with leukemia. We almost lost him recently. He is at the UW Hospital currently. Just maybe on May 22 he will be getting a bone marrow transplant. Hopefully that works.

Jerry tried to come home for a visit

in Olympia May 5 and 6, but a turn for the worse put him back in the UW. He's holding his own at the time of this writing.

If you wish to send your best wishes, they should be directed to his wife, Diane Duran. Her e-mail is herbnteahouse@msn.com. Diane has been staying in Seattle close to Jerry through all this. Diane checks her e-mails every evening. If you know Jerry, please e-mail.
