

Submit your nominations for NWR awards banquet

BY FRANK HAMILTON
Regional Executive

Annual banquets are forthcoming. Each venue has its own banquet before the NWR banquet. Some awards are exclusive to venues and others are NWR-wide. This means that nominations for the traditions awards need to be made. Any NWR region member in good standing may make a nomination for each of these awards.

Awards that need to be awarded through NWR are:

Stan Burnett Inspirational Award: This award goes to an individ-

ual who exhibits the determination, energy, loyalty, sensitivity and love that Stan showed in his life.

Mary Pang Award: A volunteer worker who has preformed as an "Unsung Hero" in the background without much fanfare and whose actions have benefited the region.

Frank and Joan Manley Award: This award goes to a region member who exhibits the qualities and enthusiasm and willingness to be involved in NWR activities.

All awards relate to activities occurring in year 2007. Each venue will have additional awards to present. NWR

nominations should be sent to the RE. A selection committee will be appointed.

Each nomination should be accompanied with a letter of nomination explaining why that person (or those persons) should get the award.

The Joe Henderson Award: This trophy goes to a member of NWR and active SCCA member who has been involved in long and meritorious service to NWR, SCCA National and has served in a leadership role. The recipient must be elected by the previous recipients of this award. Some years it has not been awarded.
