Karl Coleman won the "Top Gun" award for having the top PAX time for the event.

the event.

Amy Coleman reported: "VCMC put on a spectacular event with lots of sponsors and prizes and a wonderful banquet. This club really went out of their way to make us feel welcome at their event. We ran on the brand new asphalt at their driving facility, which was VERY nice. They plan to expand this paved surface for next year. Their club is top-notch and I encourage our autocross community to look into attending VCMC events in the future."
