

and the Packwood National ProSolo. All of the events were held at Packwood's Hampton Mill facility. Trophies were awarded to 25 drivers in 12 classes.

The Region's most prestigious award to a soloist is the Solo Cup, given to an autocrosser who has a distinguished driving record and has contributed to Solo on the regional, divisional and national levels. The Solo Cup is awarded by the previous winners, and the award is made only when a worthy recipient is available. This year's award was presented by Gretchen Everett.

The 2007 Solo Cup recipient is Ron Bauer. Ron is a national champion, has many national trophies to his credit, has chaired the NWR Solo Committee and the WWSCC Committee, has served as Chief of Announcers at the Solo Championships, and is a member of the Solo Events Board.

Congratulations, Ron, for a well-deserved award!

Two Co-Workers of the Year were recognized: Jodi Fordahl, for her tireless efforts as Chief of Scoring and for running our online registration process; and Jerry Lamb, for his service as Solo Committee Chair and for developing the Region Pro Solo Series. Many thanks to both Jodi and Jerry for their hard work and leadership.

The 2007 Jim's Detail Shop Novice of the Year award was presented to Rick Vomenici.

Rick began 2007 racing in Novice class. After running three events as a novice, Rick moved into championship class competition, competed in the Packwood National Tour and ProSolo events, attended the Evolution Driving School, and even made it to several committee meetings. Way to

**Jodi Fordahl**

**Jerry Lamb**

**Rick Vomenici, novice of the year**
