R.J. Gordy, San Francisco Region member and chairman of the SCCA National board of directors, speaks at the Northwest Region convention.

cussion meeting was held in the party suite for those who could attend. Howard Duncan from national office and R.J. Gordy (SFR), chairman of the national board of directors, were both in attendance at this meeting (and the weekend). Thank you both for your patience in listening to our concerns. Gordy also mentioned at this meeting and at national convention in February that he learned more by attending our conventions (regional) that he has learned other places.

A huge thank you goes to Subaru Western Division for their major sponsorship at our event and to Fusion Racing from Vancouver, B.C.

Fusion Racing helped make the convention most noticeable to the many other meeting groups at the hotel. They brought a prototype of their CSR car and a race simulator. This brought many people into the grand ballroom to see what was all the noise was and what was happening. It was a great opportunity to explain what "NWR SCCA" (as noted on all the signage) was and to talk a little about our club. Kudos go to Dennis Bainbridge and Titus Midgley for creating this PR bonanza.

Thank you to those who made this event happen: Frank Hamilton, Sherri Masterson, Esther Sicks and Margie Swanson. We may do this
