# NWR plans annual convention, dinner in Tukwila Jan. 8-10

Northwest Region, the "Party" region, will hold true to form starting its convention weekend with a gathering on Friday evening, Jan. 8, for a social, reception, registration and party. Events run through Jan. 10.

Special guests attending the convention to share and network with us include national office staff region development manager Rick Myers, outgoing national SCCA Board Chairman R.J. Gordy and Leslie Berry from San Francisco Region.

Our goal is to assist other regions and have our own members learn new techniques, start new programs or improve the ones they have. We do this by offering seminars on Saturday. But learning also takes place every time two or more people gather and share information. NWR members do know how to gather!

Seminars: We asked what was needed and wanted by other regions and ours. This is what we have so far. We still need a few people to lead and instruct these sessions though. If you can help let us know! Each session will be approximately 80 to 90 minutes in length.

RallyCross, what is needed to start a program; Time Trials, Performance Driving Experience to Hillclimbs; Street Survival, coaches and instructors; web sites: needs of the region vs. needs of the members; Solo course design; Solo safety steward training; Solo Divisional, how to organize and present an event; Oregon Raceway Park, open discussion; Solo open forum; membership updates; promoting your event, region and SCCA.
