Good news, bad news for Race

Well, as it turns out, I have a mixture of good news and some bad news. I'll start out with some of the good news.

Our August event at Bremerton went well. The luau was great. It appears that we not only didn't lose money on the event, but even made a bit of a profit. A BIG THANK YOU to everyone who attended and helped make this event a success. Unfortunately not enough was made to erase the losses of the two May events, but at least the pain is lessened.

At the drivers' meetings I tried to gauge the interest in attending the October event at Bremerton. It appeared that only two or three drivers present were likely to register. We had only a couple of days before we had to pay significant fees for that event. I decided that we could not afford to commit to running the October event and canceled it.

RACE REPORT

CHUCK HUFFINGTON
ASSISTANT RE, RACE

On Oct. 17 and 18, we will be running another Tire Rack Street Survival School (details can be found elsewhere in this issue) on Saturday as well as a Time Trials event (Performance Driving Experience, Club Trials and Track Trials) on Sunday. All race drivers are invited to run with the Track Trials group on Oct. 18 at Bremerton. The Track Trials drivers should get over an hour and a half of seat time for \$175.

I will have a full report on the season in the next issue. Until then, feel free to send me comments or to attend the race committee meetings.
