

Get out the vote for NWR

NCSN STAFF

This is a year where most of the Northwest Region's board of directors is up for re-election so think on

your nominations for all positions.

Positions up for grabs are regional executive, secretary, treasurer, assistant regional executive and two members-at-large.

All nominations should have a second and can be sent to nwr-bod@nwr-scca.org or mailed to membership chair Esther Sicks, P.O. Box 506, Port Orchard, WA 98366.

NORPAC sets training Nov. 6 for Solo, Time Trials, racing

NCSN STAFF

The Northern Pacific Division (NORPAC) is conducting a training seminar for all participants on Saturday, Nov. 6 at the Atlantis Hotel in Reno, Nev. We encourage everyone interested in amateur motorsports to participate.

Sessions are geared toward conducting the best Solo, Time Trials and road racing events we can. Participants will have access to the decision makers of the club: area directors, the executive steward, repre-

sentatives of the Solo events and Time Trials boards.

Some of the workshops include a safety seminar for current and potential Solo stewards who want to obtain a three-year renewal, a Tire Rack Time Trial seminar looking at best practices, how to deliver good customer service, a road racing stewards' meeting and open forums for all of the different racing venues offered in NORPAC.

A panel of regional executives will talk about how to keep a region in the black in these trying economic times.

Todd Butler and R.J. Gordy will participate in a town-hall meeting to answer your questions, hear your concerns and deliver your message to the national board of directors.

For \$75, you will participate in an outstanding program plus enjoy a networking lunch and dinner. A silent auction will be ongoing throughout the day with the winners announced at dinner.

To register for the event please go to Motorsportreg.com and click on NORPAC Training Seminar. See you in Reno.

SCCA solicits nominations for Club Racing workers of the year

SCCA STAFF

TOPEKA, Kan. — SCCA is seeking nominations for the 2010 Club Racing Workers of the Year, an honor that annually recognizes the contributions and efforts of individuals who volunteer time and services to SCCA Club Racing. The winners will be announced in September at the SCCA National Championship Runoffs at Road America, in Elkhart Lake, Wis.

Winners are selected from a pool of nominations from peers, so submitting nominations is critical to the process.

"Workers are SCCA's most valuable asset," SCCA vice president of Club Racing Terry Ozment said. "Without them, we would not have the means to conduct the SCCA events that we do. The Worker of the Year program is designed to honor these significant contributions to Club Racing, which is why it's so important to nominate the best workers that you know and work with."

Winners in 10 specialties (emergency services, grid and pit, timing and scoring, scrutineering, race administration, sound, flagging and communications, registration, stew-

arding and starter) will be announced at the Worker Recognition Celebration on Thursday, Sept. 23 at Road America. Winners each receive a jacket, plaque, patch and SCCA merchandise gift certificate. One winner will be drawn to receive a lifetime membership.

Anyone can nominate their favorite worker for one of the 10 awards. Nominations should include the individual's name and specialty along with a brief explanation of why their efforts in 2010 have been exemplary.

To nominate someone, send an e-mail to woy@scca.com.
