

# 2010 should be busy

Last year we managed to get finished with updating the bylaws and the Policies and Procedures manual for the region. We also worked two car shows as well as our usual venues and three Tire Rack Street Survival classes.

For the upcoming year we are planning on two to three car shows as well as at least three more Street Survival classes, three standalone Time Trial days, a number of Solo events, a driver's school and three race events, one in conjunction with Oregon at Oregon Raceway Park in Grass Valley, Ore.

We are hopeful that this will start a new spirit of cooperation between our region and Oregon Region in which we can have more joint races

and get a Northwest championship going involving most if not all of our tracks and possibly include some more races at Pacific Raceway. If there are things you see needing work on a regional level please contact me or any other Board member or send a note to [nwr-bod@nwr-scca.org](mailto:nwr-bod@nwr-scca.org).

Also this year we will have several board positions up for election/renewal and I am going to bring it up here and now so you can be thinking about it early. The positions up for

election this year are regional executive, assistant regional executive, secretary, treasurer and two members-at-large. Current holders of those offices are Tom Masterson, John Forespring, Sherri Masterson, Lou Ann Christensen, Val Korry and Neil Bryant respectively. Nominations are due by the first Monday in October (the October Board Meeting) and can be sent to [nwr-bod@nwr-scca.org](mailto:nwr-bod@nwr-scca.org). You should always check with the person you are nominating to be sure they are willing and able to serve and you should get a second for any nomination.

Have fun and play safe.
